Libations for grilling

**Vionta Albariño 2006
from Rias Baixas,
Spain (\$16)**

The white Spanish wine albariño is perfect with fish (in Spain, the two are considered a classic match). Albariño's clean, crisp, citrusy, light character is an ideal complement for grilled fish. Try

it for yourself, and open a bottle to serve with our Herb-Stuffed Red Snapper (page 198) or Striped Bass with Lemon-Caper Salt (page 199).
